

Classroom Treats Policy

_____ School _____ appreciates the effort made by students and their guardians to provide snacks and treats on special occasions such as field trips, holidays, birthdays, and pep rallies.

_____ School _____ considers safety and inclusivity its highest priorities, which are reflected in the following policy:

Safety

To ensure the safety of others, please do not bring in any snacks that contain the following allergens:

- _____
- _____
- _____

Even small contaminants can be harmful to some of our students, so we respectfully request that snacks be made without (or first checked for) these ingredients before they are brought in.

Inclusivity

Should students choose to provide treats for an event or holiday, we request that enough snacks be brought in to accommodate the entire class (or club, or team, depending on the occasion) so that no student feels left out of the celebration.

Nutrition

Treats brought into _____ School _____ must comply with health and nutrition guidelines, including:

- All food that requires refrigeration must be consumed within two hours of arrival.
- No undercooked food.
- No raw eggs or meat.
- No alcohol.
- No food of minimal nutritional value, including:

_____.
