

Consent to Drug Testing

I, Employee/Interviewee Name, do hereby agree to provide my urine, blood, etc. for the purposes of drug testing prior to/during employment with Name of Company.

I understand that refusing to submit to this test will result in termination, loss of consideration for new job.

I further understand that any positive result that comes from this test will result in termination.

I will hold harmless Name of Company, any physicians or medical staff involved, and the drug testing facility as a whole, for any damage that may arise as a result of this testing.

I authorize Name of Company to provide my pertinent personal and medical information to the drug testing facility, and give Name of Company permission to submit my specimen(s) to the drug testing facility.

I agree to this policy freely and willingly on this _____.
