

Provision for Burial

I, _____, of _____,
born _____, and being of sound mental health and full mental capacity, do instate the following provision to my will regarding the disposal of my remains:

In the event of my death, I hereby direct that my body shall be sent to be embalmed at _____.

No autopsy shall be performed unless my death occurs under unnatural and suspicious circumstances.

It is my wish that my body be placed in _____
_____ and buried in _____.

I further wish to have a _____ service performed,
specifically officiated by _____ (if {hshe} is available and
amenable to doing so).

If my headstone has not already been purchased at the time of my death, it is my wish to have _____
_____ featuring the following information: my full name, my
dates of birth and death, and _____.

I, _____, hereby declare this provision to be an addition or
change to my will. Any previous instructions for the disposal of my remains shall be considered nullified.
All other aspects of my will are to remain intact.
