

Safety Contract

This safety contract, when signed, indicates the Student's full understanding and agreement with the following safety procedures when the class is participating in science experiments in class.

_____ Student's Name _____, hereafter referred to as "Student," agrees to abide by the following rules and restrictions:

- Student will wear protective glasses before beginning any experiments.
- Student will follow all instructions, written or verbal, given by the teacher.
- Student will not depart from the instructions in any way. The student will not create or participate in any experiments that deviate from the lesson plan.
- Student has been informed of the emergency wash stations and knows how and when to use them.
- Student will not eat or drink anything in the lab station.
- Student will keep _____ station clean and will tidy up after experiments.
- Student will not start experiments or handle equipment without permission from teacher.
- Student will use caution around heat and chemicals.
- Student will make sure that loose clothing or long hair is restrained in some way.

_____ Guardian's Name _____, hereafter referred to as "Guardian," acknowledges the following:

- Guardian has read the above safety rules
- Guardian understands that if Student violates the above rules, he or she will be subjected to an office referral or _____.
- Guardian agrees to encourage Student to abide by the above rules and to behave in a safe and respectful manner in the lab.
