

Warranty of Fitness

The Seller abides by the _____ law _____ requiring that all regular merchants of an item follow the implied warranty of fitness for a particular purpose. Therefore, the Seller guarantees that the item will work for the following purpose(s):

If the item is defective in a way that makes it unsuitable for the intended purpose outlined above, the Buyer must contact the Seller through _____ with a detailed description of the defect no more than _____ days after {purchase/ }. If the item is deemed unsuitable for the intended purpose, the Seller will be held liable for compensation, damages, repairs, replacement, or refurbishment.

The Seller does not warrant the item against damage caused by improper use, incorrect installation or transportation, or mishandling. The item is not guaranteed for any purpose other than the purpose outlined above.
